

Media Release 12 November 2018

****Sir Andrew & Lady Fairley Foundation****

In September Goulburn Valley Pregnancy and Family Support Service, Caroline Chisholm Society's rural branch, had a crisis situation when our supply of prams for new mothers had depleted. and at the time 12 needy mothers were on a waiting list. Lead Practitioner, Maree Chin approached the Sir Andrew & Lady Fairley Foundation for a donation towards purchase of new prams to add to our pool of quality safety checked used baby equipment.

The Service management and volunteers greatly appreciate the grant of \$2100 towards the purchase of new prams, and also the Foundation's offer of assistance to Caroline Chisholm Society to secure appropriate second hand prams via a community pram drive for our Branch in the future.

Goulburn Valley Pregnancy and Family Support Service (est. Shepparton 1975) is situated at 15A St Andrews Road, Shepparton. Our team of dedicated volunteers work tirelessly in our material aid section to manage the donated storage of new and pre-loved clothing up to size 10, nursery equipment such as good quality bassinets, car seats, high chairs, prams/strollers, change tables and baths. Community donations very welcome.

Hours: 9:30 – 12:30 weekdays Tel: 58210826
